Permalink. I obtained permits at Helderberg nature reserve and on Sunday,9 December 2012 I went on the Crystal pools hike.It really is an awesome place.The baboons however descended on the pools and caused havoc by trying to steal whatever they could find.The gate was standing open at 08:00 when we entered and during the day I counted approximately 250 people at the various pools.

I can't seem to find any useful information on google or Microsoft regarding this question. I basically need to temporarily run a few hyper-v VM's from an external hard drive (la Cie P'9240, 2 TB drive).

Can you run a hyper-v VM from an external hard drive?
