Gender identity is the personal sense of one's own gender. Gender identity can correlate with assigned sex at birth or can differ from it. All societies have a set of gender categories that can serve as the basis of the formation of a person's social identity in relation to other members of society.. In most societies, there is a basic division between gender attributes assigned to males and ...

Hello! You have landed on this page because you were heading for one of the old websites made by me, David Gauntlett, in the distant past. Most of the stuff on sites like 'theory.org.uk' and 'newmediastudies.com' was 12-20 years old, and I kept it all on the internet for a long long time in case anybody really needed it, but I think that time has now gone.

David Gauntlett | Welcome!

People who are transgender, or gender non-conforming, come from all walks of life. Yet they are one of the most disadvantaged groups in society.

The following trans-, gender-, sexuality-, and activism-related terms regularly appear in my writings. In addition to the definition, I will often add clarifying information and links to further discussion (sometimes citing passages from my books Whipping Girl, Excluded, and Outspoken). Most other links will take you to the glossary entry for that particular word or phrase.
